Overall Ranking

1

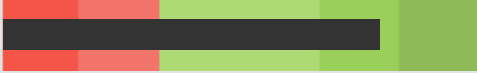

out of 4
candidates

Assessment	Result	Summary
RCAT	87% (Above Average)	Katherine is likely to have very strong problem solving abilities.

Katherine's Cognitive Ability

This assessment measured Katherine's level of cognitive ability and provides insight into her potential to develop job knowledge, make effective decisions, successfully problem solve and respond appropriately to new and complex situations. Measures of cognitive ability are powerful predictors of future job performance.

Katherine's Results

RCAT Score	Level of Overall Cognitive Ability					Comparison Score		
	Far Below Average	Below Average	Average	Above Average	Far Above Average	Australian Public Service - General Industry	Australian Public Service - Graduates	General Population (AU)
28 v						Above Average (87%)	Average (70%)	Above Average (85%)
V	Verification testing has confirmed score							
V↓	Verification testing has resulted in a score decrease							
NV	Test score is NOT verified							

We recommend paying the most attention to the Australian Public Service - General comparison group, since it's the most relevant group for this position.

Katherine's score was higher than 87% of people in the Australian Public Service - General comparison group, which indicates that she is likely to:

- **Have very strong problem solving abilities**
- **Understand and learn new tasks and concepts quickly**
- **Have a strong ability to apply both old and new knowledge to complex or novel situations**
- **Be easily trained and quick to develop job knowledge**

In terms of cognitive ability, Katherine's results indicate that she would be well suited for the position of Example Position.

Notice To Report Recipient(s)

Information contained within this report is private and confidential, and is provided on the basis that its recipient(s) will use it responsibly.

Revelian's involvement in the recruitment process is limited to providing the prospective employer with information regarding the relevant attributes of candidates as measured by Revelian assessments. It is the prospective employer who makes final selection decisions. As some assessments were completed unsupervised by this candidate, Revelian can not guarantee that their responses are their own. Supervised testing, where possible, is recommended in this case.

Revelian recommends that assessment information be considered along with information gained from other sources when making final selection decisions.
